

## Church Survey

Could you take a minute to help us with a short survey? We would like to contact some churches in the area to let them know more about our school. We would like to send a packet of information to churches where our families worship. Please write the name of the church you attend in space provided. If you know of other churches that might be interested in hearing of our school, please include their names also. Thank you for assisting us in this way.
