

2011-12 School Year Re-Enrollment Form

www.ics.edu.sg/admissions/forms

Dear Parents/Guardians,

Due to the budgeting of resources, it is critical to know which students will be returning in August of 2011. ICS grants priority to existing students and offers an early enrollment option for them with discounted registration fees. Students who re-enroll will be given priority over new students and/or students who wait until later in the year to re-enroll.

Please help us with our projections and also take advantage of the discount in fees by completing this form and returning it with the appropriate payment. **ICS cannot guarantee a place for your child until the re-enrollment fee is paid. Some grades were full in the 2010-11 year. Space will be limited again in 2011-12. In order to maintain status as an enrolled student this fee must be received on or before February 28th.**

We will be returning to ICS for the school year beginning in August of 2011:

Student Family Name:

Student Given Name:

Grade (2011-12):

Total number of students:

x S\$1200.00 =

If you wish to take advantage of this discount and have a place held for your child(ren), please return this form along with payment to the ICS Business Office by February 28th. **Please note: for those making monthly tuition installments, payments must be up to date to take advantage of this discount. All forms received after February 28th will be subject to the regular registration fee. No exceptions to this policy will be granted. Student(s) must be enrolled as current students when submitting this form or will be required to apply as a new student.**

Please make all checks payable to: International Community School (S) Ltd

I desire to re-enroll my child(ren) for the 2011-12 school year. I have read the school's published fee schedule and withdrawal policies and agree to abide by the policies. **I understand that the re-enrollment fee is non-refundable.**
